

Essex County Council Traditional Building Skills Courses

Fully funded by the City & Country Group Bursary Scheme.

A limited number of free places available.

Courses include:

- Lime plaster • Run mouldings • An Introduction to Thatching
 - Timber Frame Repairs • Wattle and Daub • Flint Walling
- Historic Window Repair • Conservation Brickwork • Brick Arch Repair
- A variety of talks and day seminars on the conservation of historic buildings

Bursaries are available to trainees, self-employed workers and anyone who has a passion for traditional building skills and can demonstrate they have qualifying financial barriers that prevent them from taking advantage of the highly regarded ECC traditional building courses already on offer.

For full details and application forms contact: 01245 437672 or Traditional.BuildingSkills@essexcc.gov.uk
