

Great Notley Country Park covers an area of 100 acres with views across open farmland to the west and a link to over 15 miles of safe walking and cycling paths along the Flich Way. There are open areas of grassland which are perfect for family picnics and games.

The Country Park is a great place for children of all ages to play. Follow the trail from the Discovery Centre and through the mounds. Along the route you will find springing sheep, sand play and slides for younger children to enjoy. For older children there is the challenge of the high energy swings, climbing forest and more adventurous play in and around the mounds.

We also offer:

Bike hire, conferencing facilities, all weather sports pitch, tennis courts, Drakes Bistro, fishing, events and activities, birthday parties, and educational activities.
